COMPANY OVERVIEW

Founded in 2005, Ntiyiso Consulting Group is an authentically African, and globally wired management consulting firm which “seeks to empower institutions that enable Africa’s development.” With over 200 senior professionals, we provide evidence-based, robust solutions to complex management problems and are experts in strategy, governance, organisational turnaround, revenue enhancement and industrialisation consulting.

We deliver sustainable solutions through THREE SUBSIDIARIES, viz. Ntiyiso Revenue Consulting, Ntiyiso Business Consulting and Ntiyiso Industrialisation Consulting. Ntiyiso means ‘TRUTH’ in the Xitsonga language. We are therefore naturally inclined to deliver the most trusted of solutions to our clients.

OPERATING PHILOSOPHY

Our underlying operating philosophy is to offer products and services as a means to derive value for our clients. Our conviction is that each client is unique and therefore has specific needs that can only be met through a close and personalised partnership that is based on shared responsibility to deliver sustainable results.

OUR LEADERSHIP

Our leadership team are recognised leaders and visionaries in their areas of expertise. They have acquired vast local and global experience which has been dedicated towards building a culture of performance to the benefit of our clients and our people.

OUR PRINCIPLES

We have five ways in which we set ourselves apart. This is what our clients expect and experience when working with us to deliver successful projects and valuable outcomes.

END-TO-END SOLUTIONS

Our range of methodologies are designed to deliver holistic solutions that consider the internal and external environment.

TAILOR-MADE SOLUTIONS

We apply first principle problem solving for unique client conditions.

TOTAL COST OF OWNERSHIP

Our services are provided at a competitive total cost of ownership, which provides additional value for money for our clients.

CULTURAL AFFINITY

We are respectful and approachable, and also have a demeanor that is resonant with African culture.

COLLABORATIVE APPROACH

We believe in personal interactions and less about the slides when developing solutions.
